

THE MARK OF AN MGS GIRL

The MGS Girl embraces the Culture of Honour

1. *She carries the MGS identity with pride and enhances the good name of MGS students by striving to be well-spoken, well-behaved and well-thought-of, whether in or out of school premises and regardless of whether or not she is in school attire.*

In speech, she speaks clearly, properly and respectfully.

In decorum, she conducts herself in courteous and socially acceptable ways.

In thought, she is humble and considers others before herself.

In work, she is diligent in all she does and performs every task with an attitude of excellence.

2. *She forges excellent working partnerships by establishing good rapport with her teachers and schoolmates.*

She nourishes her inter-personal relationships by practising the Christian virtues that are transmitted through the daily devotions and Chapel services.

She applies the Biblical principles of “Love your neighbour as yourself” and “Do to others what you would have them do to you”.

3. *She greets all members of the MGS community – teachers, administrative personnel, parents and visitors politely.*
4. *She walks briskly, quietly and in an orderly manner from one venue to another.*
5. *She is neatly dressed in MGS attire and approved footwear for the time spent in school during school term and school vacation.*

She will not use her MGS attire for inappropriate purposes and disreputable activities that may tarnish the good name of MGS.

6. *She adopts a spirit of excellence.*

She seeks mastery in all her pursuits.

She embarks on a journey of lifelong learning and personal growth to develop to her fullest potential.

7. *She practises sound time-management to keep a wholesome balance between her academic studies, co-curricular activities and community involvement services.*

She prioritises school commitments whenever called upon to represent MGS or support MGS teams.

She gives of her best in both work and play.

8. *She handles all school equipment responsibly and returns the same in good working order and condition.*

She reports immediately and accurately any malfunction, damage or losses. She must compensate the school, if necessary.

9. *She does her part in keeping her classrooms, notice boards and furniture clean and tidy, free of unsightly clutter, litter and filth. She observes the “two-metre radius rule” – taking ownership of the cleanliness of her surroundings with two metre radius of herself.*

She ensures that the lights, fans, air-conditioning and school equipment are switched off when she is the last person to leave the room.

10. *She takes responsibility for the security of her belongings.*

She does not leave her valuables lying about unattended.
